

THE BOY'S TOURNAMENT

Semi Finals

Nicholas, our number one seed took on **Michael** but soon found himself behind losing the first set 5-7. However, he came back strongly to win in 3 sets 7-2, 7-4 with some very consistent play from the baseline.

In the other semi final **Rishab** and **Andrew** played a very close match which again went to 3 sets before Andrew just edged the decider.

The Final

Most parents went inside as it started to rain but **Andrew** and **Nicholas** played out the final. Andrew was hitting his serve very hard but Nicholas' consistency from the baseline meant that he just came through winning 7-4, 7-6 in a close match.
